REMARKS

1. LGE partners with 11 different Glass Resorts in Lapland and operates over 200 departures each season. Each resort offers its own unique features, advantages and considerations. Please note that not all units come with an attached private sauna. If you are unsure about specific facilities, kindly check with us for clarification.
2. In Finland, names like Glass Igloo, Glass Chalet or Glass Villa, Glass Resort all refer to special glass accommodations designed for Northern Lights viewing. They may not always have the traditional dome shape, but they offer the same experience — enjoying the chance to view the Northern Lights from the comfort of your room.
3. The sequence of the itinerary may change due to the availability of glass igloos, domestic flight schedules, or weather conditions.
4. Northern Lights are a natural phenomenon, and we cannot guarantee their appearance due to weather conditions.
5. The estimated 2-hour time at the Husky Farm is only an estimate and may vary.
6. Lapland Hotels do not have a star rating. However, equivalent accommodations will be provided.
7. Weather conditions in Lapland are highly unpredictable, and roads and attractions may close with little notice. In such cases, we will adjust the itinerary and proceed with alternative routes based on the best possible situation. In the event of adverse weather conditions, the Driver and Tour Manager will make the final decision on whether to proceed with the day's program or cancel it.
8. During peak seasons, the Tour Manager may not fly with the group, but a check-in staff member will be allocated. The Tour Manager will meet the group upon arrival.
9. Some accommodations may not have twin or double room options.
10. Passengers may opt to use a bus for a longer Northern Lights hunting excursion, with prior agreement from the entire group. This must be confirmed at least 3 days in advance, and costs will be shared equally among group members.
11. The Glass Igloo / Glass Resort image is for illustration purposes only.
12. Upgrades to Glass Igloo / Glass Resort are subject to availability. Please check with us for confirmation on your booked igloo / resort
13. Upgrades to Mountain Top Glass Cabins are only available for departures from September 1st, 2026 – December 09th, 2026. Outside of these dates, a hotel accommodation will be provided instead. However, not all groups departing during the period are entitled to 2 nights free upgrade. Do check with us on the availability.
14. Northern Lights hunting is dependent on the KP index and weather forecasts. The Tour Manager will decide whether to proceed based on these factors. As adequate rest is necessary for the Tour Manager's performance, tour manager will not wait beyond 11:00 PM.
15. The Arctic Circle Train may close unexpectedly due to adverse weather. There will be no replacement or refund in such cases.
16. We reserve the right to use a different supplier for the King Crab Safari based on the itinerary. If the safari is conducted at a different location, the experience may vary. In Kirkenes, the King Crab Safari will replace Norwegian Shrimp with Cod Fish Cake, and the King Crab will not be slaughtered in front of guests.
17. For guests joining the 14-day / 15-day extension, an additional charge of EUR 10 per person per extra day will apply.
